

Dear NTREM participants,

The on-line registration is now open for uploading of ABSTRACTS. Please note, that main author will be automatically registered as participant and therefore does not need to register as participant.

To register your contribution please follow these steps:

1. Go to paper administration: https://ntrem.upce.cz/registration/edit_paper.cgi
2. Click the link at the top of the page titled: New paper registration

3. Fill in all the necessary information including author names, institution details, billing information of your institution, contact. The main author (with ticked radio button in front of his/her name) will be automatically copied to attending participants.

A screenshot of the 'Conference paper registration (step 1/3)' form. The form is titled 'NEW TRENDS IN RESEARCH OF ENERGETIC MATERIALS' and 'Conference paper registration (step 1/3)'. It contains several sections: 'Paper title' (with a blue arrow pointing to it), 'Authors' (with a table for first name, last name, email, affiliation, and Ph.D. years), 'Affiliations' (with a table for organization, country, and city), 'Keywords' (with a text input for keyword1, keyword2, keyword3; lower case), 'Preferred type' (with a dropdown menu), 'Billing info.' (with a table for name/organization, address, and VAT ID), 'Contact person' (with a table for name and email), and 'Notes' (with a text area for notes). The form also includes a 'Submit' button and a 'mandatory field' label.

Please make sure this is correct, if in doubt, read the Notes at the bottom of the page.

4. Click the two check boxes:
 - a) declaration that the paper is not a copy of already published material
 - b) GDPR agreement stating that we can work with your personal information within the scope of NTREM, this is required by our law

List of conference papers			
Check the state of your paper. If it is <i>missing</i> here, register it . If it is <i>pending</i> , find the confirmation email in the contact person's mailing box and reply it back.			
● Pending ● Registered ● Submitted ● Rejected ● Accepted ● Completed ● Confirmed			
	Author(s)	Title	Type
1.	● Kučera, Selesovsky	Test prehlednosti registrace pro prednasku	oral
2.	● Kučera	Test prehlednosti registrace pro poster	poster
3.	● Pachman, Brown	Synthesis and thermal properties of HMX (Only first letter and abbreviation is capitalized)	oral

16. After review by Scientific committee the status will be manually changed by organizers to either Rejected or Accepted. In case that there will be too many requests for oral presentations the organizers reserve the right **to change the form of your contribution from Oral to Poster**. You will be notified about this at the point of acceptance by e-mail. The form of your presentation will also be shown in the last column of the list of conference papers.

17. Once accepted you will be expected to upload the paper. You will be able to modify your paper until paper submission deadline (end of January).

Various versions and language mutations of MS Word make it difficult to keep the format of all papers the same. We therefore require authors to submit MS Word docx and pdf files. If we have to re-format the paper we try to follow the pdf prepared by the author.

Please do not upload pdf and docx files containing only abstract.

18. Once the files are uploaded, you will see the following green tick:

After successful upload of your paper your status will automatically change to „Completed“ – blue dot. You will still be able to do changes in your contribution until paper submission deadline.

19. After the deadline for full texts, we will start to manually check the papers and the status of the payment.

The papers with checked formatting and paid registration will be manually confirmed and will appear with the „Confirmed“ status – magenta dot on the web.
